

Jenifer Reina Bentley, 35 years old, of Pampa, who was stained and broken, is now flawless and perfect sitting by her beloved Saviors' side following an accident on the evening of Friday, May 21, 2021 in Donley County. She was born on July 18, 1985 to Harold and Janna Bentley in Pampa, Texas.

Jenifer was a lifelong resident of Pampa and had graduated from Pampa High school in 2004. During the years following high school Jenifer dealt with many struggles with addiction, but with the Grace of God she had been working diligently to achieve full recovery. Being extremely creative and artistic led her to attend college classes in graphic design in which she excelled. She was currently carrying a 4.0 GPA in her classes at Amarillo college and looking forward to a future that would benefit from her talents and skills.

She had various passions and one of those being her love for animals. Any animal! All animals! She certainly had a way with them and could train them so well, as if they had a connection of some sort. But her sole reason for being — was her four kids! She loved them beyond life itself and they were her purpose and drive. Family in general meant the world to her. They kept her grounded and she knew that no matter what, they were there for her to help pick her up, dust her off and straighten her crown. Jen was the best sister ever in that she taught her brothers it is okay to fight for what you believe in and that being imperfect is perfectly OK! She taught them to love unconditionally and eventually, the smaller statured girl of the three kids, became the strongest willed as well as the voice of them all. Jenifer loved the Lord and had a personal relationship with him that reassured her He was always there to help when she needed Him.

Jenifer was often times quite ornery and loved being a jokester. She was true and loyal and very particular about her friends, she did not have many friends, but the ones she did have, she kept for life! She will be missed by those who knew her best.

She was greeted in Heaven by her grandparents, Don and Sue Bentley and James and Joan Braxton.

Those left to cherish her smile, love and memories are her four precious babies, Kaydence Miller, Kambri Bentley, Kynleigh Crain, Knox Bentley all of Pampa; her parents, Harold and Janna Bentley of Pampa; two brothers, Heath Bentley and wife Angela, Hudson Bentley and wife Erin all of Pampa; Aunt Donna Atzbach and husband William of Brownfield; Uncle Jim Braxton and wife Ann of Pampa; special cousins, Sheila and Kurt Loyd of Pottsville, Arkansas; special friends, Shayla Winegeart and Tamara Horton of Pampa.

Celebration of Life Funeral Services are scheduled for 2:00 p.m., Wednesday, May 26, 2021 at Briarwood Church with Pastor Jamison Hancock officiating. Burial will follow at 4:30 p.m. in the Shamrock Cemetery on Railroad Avenue in Shamrock, Texas. The family has entrusted the care of their loved one to Winegeart Funeral Home.

Due to Jen's immense love for animals, the family suggests memorials be made to the Pampa Animal Welfare Society (PAWS) P.O. Box 2095, Pampa, TX 79066, in honor of her should you prefer to make donations.
